Roses are red  
violets are blue  
you are getting  
out of school  
good for  
you  
the  
Gymnasium

The poet said, "And what is so rare as a day in June." We know the answer, a boy or girl at the age of sweet sixteen."

Sixteen, ah! Proms, outtings, work, sports events, school activities — yes our sixteenth year is full of our school life at its best.

And when we are twice sixteen, none of the recollections of the singing of our choirs, the playing of our orchestra, and band, the buzz of the lunch room, and the silence of the study halls shall not be blotted out for these memories will remain with us.

Then too, we shall cherish the everlasting friendships formed, the enthusiasm and inspiration of our Captain and her crew; and even the tears when things didn't go just right.

I am sure we will all agree that through joys and tears all our years at Kelly were fruitful; all were "Sweet Sixteen" years — years which this "Sixteenth Edition" has tried to portray.

It's been fun having  
you as a classmate,  
Dolores & eyes.

## Hour By Hour

Listening to favorite records in the social room . . . division room duties and discussions . . . decorating for various socials and dances . . . knight in bloom . . . and even that first offense are some of the little things which made up our four years at Kelly. However insignificant these little incidents may seem, they will leave a marked impression upon Kellyans forever.

## *Mrs. May C. Allen*

Mrs. Allen, our principal, our leader,—our friend,—has helped countless students over life's hurdles, during her ten years of service at Kelly. The "sweet sixteen" period in every boy and girl's life is a decisive period and a trying one, but the kindly understanding and wise counsel of our leader and friend have helped to make our high school life full and profitable. Her ideals spur students to greater scholastic achievement. Her standards of conduct are set high,—and create for us a school atmosphere happy and stimulating.

She has fostered in us as students a keen interest in our community problems and leaders by encouraging community organizations to meet at Kelly. Her graciousness has increased the already fine neighborly spirit.

We appreciate your help, your understanding, your sympathy and humbly but sincerely, we salute you, . . . Mrs. Allen.

Dear El:  
 I have really enjoyed every moment I spent with you. I almost wish we didn't have to graduate because when we graduate I won't be seeing you very much. Just think of the fun at the Band picnic if we had only stayed and those beautiful squeaks in hands, and I hope you'll remember me. I hope in the future that you decide who feels you really like. I'd like to know the answer. Well, I'll close for now. So long El, stay as sweet as you are always.

Love & kiss  
 Perry  
 Mabel

*Gordon S. Hutton,* ASSISTANT PRINCIPAL

Mild of manner and speech, Mr. Hutton has calmly approached the problems of programming and disciplining . . . always the master of the problem. A true and understanding friend, we appreciate the many times he has helped us clear away a hurdle or helped us surmount it.

The graduating seniors remember the excellent administration of Mr. Hutton at the Gunsaulaus Branch; his promotion as Assistant Principal was hailed with enthusiasm. Success in your new venture, Mr. Hutton.

## Seniors . . .

Four years have passed . . . too, too quickly!

Here we are as gay, carefree seniors, passing from one phase of life into another. The challenging life of adulthood holds many problems to be solved. We shall meet those problems unflinchingly, with a confidence that our training has been sound and of the best.

Opportunities are many; we shall make the most of them, remembering all through our lives, that we can, "Make Kelly Proud of Us."

*Wishes of Luck  
to a very nice  
girl  
Mary*

Dear Eleanor -  
I can't tell you how  
much I've enjoyed  
knowing you and  
being your friend.  
I hope we see each  
other again next  
fall and I hope we  
all have a lot of fun  
this summer.  
Who knows maybe  
next fall you'll  
be Mrs. Gust?  
I hope every thing  
works out for  
you with your  
boyfriends ???  
Well I want to  
eat my snowball  
now so I guess  
I'll stay writing  
now. I really  
do wish you a  
lot of love & luck  
in your future  
years.  
May God Bless you.

Dear Eleanor,  
Just because we're  
graduating, does it mean  
we won't go out together  
any more? I hope our  
friendship will last a long time. I  
can truly say I've had wonderful  
times with you and the rest of the  
kids - Alice, Dot, Ed, & Del.  
Remember our Senior Surveil, & the  
Quarries? And how about the Prom,  
even though we didn't meet  
after the Prom, and  
go out together. I wish you  
all the luck in the world, including  
every bit of happiness. I'll always  
remember you as one of my best friends,  
and thanks for all those pieces of cake I  
used to get from you at lunch time.

Love  
Connie Matyka

# Acknowledgment . . .

The task of compiling a record of the activities of the school year is a co-operative venture. It requires the efforts and contributions of many—the engraver, photographers, layout workers, printers, copy-writers, typists, advertising salesmen, and faculty counsellors.

To all who in any way contributed to the completion of our sixteenth volume, we offer our deep appreciation and sincere thanks.

## Underclassmen . . .

Juniors, sophomores, and freshmen are all a very welcome part of Kelly. In them, seniors recall their first years as Kellyans. As freshmen, bewildered, apparently friendless, they treasure smiles from "almighty" seniors. Sophomores become very friendly, juniors almost sophisticated. But when the last year comes almost to an end, the seniors forget their power and help and befriend the "little ones" with almost a parent-like affection.

To these aspiring underclassmen, we have only this to say: "Be as proud of Kelly as we have been. Keep its record unblemished, and cherish the fond memories of four very happy years spent in high school."

To a real swell gal  
The Best of Luck  
For now and always.  
Joan Japarty

# Work . . . Play . . . Service!

In addition to the usual academic classes, a diversified program of activities is necessary for the full development of high school youth.

What would school be without our band, orchestra, choirs, athletics, publications, dances, or clubs? Friendships are formed, individual interests are nurtured, hobbies are encouraged, and in some instances the life ambition of a high school youth has its beginning in these activities.

Although scholarship standards are high, Kelly students find time to participate in activities and perform services necessary for the development of a well-rounded and happy personality.

May you have in  
all the luck you it  
the world. I wish we  
the really happy  
really of new  
lots of new  
people

The Kelly Concert Band won a superior rating in the last City Wide Band Contest, as did six of its members in the individual solo contests.

The band participates in both formal concerts given by the music department, represents the school in City Wide activities, plays for pep and special assemblies, graduations, parades, R.O.T.C. Federal Inspection, Open House, various community projects and supplies entertainment at football games. We are more than proud of its services to our school.

# *Democracy in Action*

Left to right: Donald Kuipers, president; Dorothy Gerut, secretary; Helen Thomas, vice-president; Norman McCrea, treasurer; Edward Woytowich, sergeant-at-arms; and Marion Yuskie, attendance clerk.

The Student Council is representative democracy at work. This student organization is composed of one delegate and an alternate elected from each division. In this way the proceedings of the meetings are brought to the students through the delegates, at division period.

The Council sponsors skating parties and prepares our budget for contributions to charities. All washrooms are supplied with soap and paper towels for the convenience of the student body. The council gives recognition to school services performed by students through the Civic Award letter and the Civic Award pin. In addition, beautification of the school campus is one of this year's major projects.

# *Lights! Curtain! Action!*

**Bottom:** Left to right: Don Clark, John Burns, Edward Kammer, Joe Lichay, Tony D'Andrea, Valeria Macis, and Terry Meskauskas in "Ghost of Benjamin Sweet," a Hallowe'en fantasy.

Many of the actors and actresses shown above were cast in the Senior Play, "Junior Miss." We will long remember "Terry" Smuda in her portrayal of the "sweet sixteen" girl. A talented cast, working under the superb direction of Mrs. Roberts made drama history at Kelly High School in their presentation of this play.

# Kelly Honor Society

Recipients of the coveted Kelly Torch. Seated—left to right: Jean Dombro, Catherine Santoro, Sally Miskel, Eleanore Layman, Dolores Zalem, Harry Blaesing, Constance Stec, Eleanore Domurat and Catherine Hamilton.

Standing—left to right: Connie Bitel, Delphine Musial, Margaret Pavlick, Mary Adamik, Isabelle Lesmeister, Dolores Sessions, Loretta Findysz and Margaret Sheedy. Not pictured: Margaret Moore and Sidney Cole.

The student seeking to attain membership in the Kelly Honor Society must prove himself worthy of this honor by procuring "E" or above for the semester in his major subjects and "G" or above in his minors. After four successive semesters of membership, he is qualified to receive a torch. Lack of the required grades, poor citizenship, or the election to the National Honor Society will automatically cancel a student's membership in the Kelly Honor Society.

The Kelly Honor Society offers a challenge to every ambitious Kellyan. So hats off 'to those who have achieved their goal in becoming members of this worthy society.

## *With a Song in Our Hearts*

"When you were sweet, when you were sweet sixteen," is one of the favorites of the Girls' Choir. Singing at assemblies and concerts keeps the Choir busy. Soloists, duets, and trios are cultivated in the Choir under the skillful direction of Miss H. Dallach. A special solo day is set aside each week so that each Choir member may have the experience of performing before an audience.

The Hall Guards and Clean-Up Committee are two important service organizations of the school. The Hall Guard Captains check the attendance of all hall guards and supervise the general appearance and order in the corridors.

The Clean-Up Committee wears glasses scrutinizing the halls for dirt. The work of the Committee this year was highlighted by their "Spring Frolic."

# Music Thrills

"Is 320 the room from which all of those nice overtures and symphonies come?" asked the inquiring freshie. The answer, "Yes." Practice and more practice is necessary, however, before our orchestra is ready to present overtures, concertos, and semi-light classical numbers for school assemblies and special functions.

The orchestra featured "March and Entrance of Peers" from *Iolanthe* and Humperdinck's "Prayer" from *Hansel and Gretel* as their contribution for the annual Autumn Concert. Currently they are diligently working on "Iphigenia of Aulis" and White's "Serenade" for the orchestra contest and spring concert. And who guides these embryonic violinists and cellists? . . . why Mr. Byron P. Blackard.

Seated: S. Waggoner, C. Bitel, I. Druktenis, E. Kampfert, D. Kosche, L. Sak, D. Wasierski, Miss Windblad, Sponsor.

Two important services to the school are performed by the Service Girls and the Bookroom Assistants. If a luncheon, tea, or banquet is to be serviced, the cooperative, courteous, and graciously poised service girls are ever ready to plan and serve under the direction of their sponsor, Miss Windblad.

What would a school be without books? Our efficient bookroom boys are charged with the responsibility of issuing, stamping, checking in, and inventorying all textbooks. Good judgment, reliability, and a high degree of efficiency are traits demanded by Mr. Small of the boys who man this service.

So one of the girls in the locker next to me  
 the best of luck always

The members of the Electricians' and Motion Picture Operators' Clubs gladly give up their spare time in order to make our school a more enjoyable and efficient community. Whether it be a class activity in the visual education room or a stellar performance in our assembly hall, these service men are at hand to illuminate the presentation.

In the upper picture the electricians are engrossed in the operation of a spotlight, while in the lower picture the movie operators seem well wrapped up in their work.

## *As We Work*

Why the happy look? The business staff is well satisfied with the outcome of its finances.

Page editors make a final check up while Orville Singer takes time out to demonstrate his masterful ability in making paper dolls!

Copyreading, typing, discussing plans for coming issues—ah, yes, Clarion reporters are always busy.

Our superior journalists have merited membership in Quill and Scroll, National Honorary Society for High School Journalists, through hard work, perseverance, and excellent scholarship.

# *We Did It!*

**Top left:** Edward Brenner, Donald Tomes, Vincent Castrogiovanni, Bill Mathes and Esther Schultz listen intently as Dan McCarthy discusses plans for the "Sweet Sixteen Lamplighter."

**Top right:** "This is the way it was last year," explains Lillian Fregeau, editor. "We want ours to be unique." Veronica Rybout, Dorothy Rinko, Steve Jacobs, Isabelle Lesmeister, Dan McCarthy, George Harper, Dolores Novak.

**Middle left:** Plans for the Lamplighter pass the scrutinizing eyes of Mr. Dempsey, Mrs. Genender, Mrs. Role, and Mrs. Parker, publications advisers.

**Middle right:** "Do you like the layout of these pages?" Dorothy Hager, Joan Kalivoda, and Sam Cordero have assumed this responsibility.

**Lower left:** Advertising and finances are important problems in producing a year book. Arlene Riebou, Joseph Skwierczynski, Anne Sammet, Richard Misiaveg, and Marilyn Armellino have solved these problems in a painstaking and efficient manner.

## *Service is Our Motto*

With the help of these girls, and many others, Kelly has one of the best equipped libraries in the city. There are not only girls serving you in the library but boys, too. They repair the damaged books, put pockets in new books, and serve you in any way possible. Students are at your service every period of the day. This service is wholly voluntary and is done during the student's free period.

Left to right: J. Kaukialo, D. Garbo, F. Marek, V. Weisenburger, B. Durachta, J. Jerkaitis, S. Thelen.

On Guard! Always for your protection and safety. Fire Guards under the direction of John Lamb, Junior Fire Marshal, stage mock fire drill.

Admiring the handmade ornaments on our Christmas tree are: P.T.A. members: Mrs. Milkeris, Mrs. Biske, Mrs. Anderson, president; Mrs. Anthony, Mrs. Allen, Principal, and Mrs. Weitak.

## *Mothers Enjoy Socials*

Kelly's P.T.A. is not all play and no work. Each year the Parent-Teacher Association has a theme which is discussed at regular sessions, the third Wednesday afternoon of each month. After the business and discussion, each meeting closes with a social hour at which time refreshments are served.

Our P.T.A. members are ever alert to their responsibility of providing excellent educational opportunities for the children of this community.

The cake and cookies must have been good at the Mothers' Tea, one of the important social functions of each graduating class!

"Here you are, Mother." Gerald Margalus, a graduating senior, graciously serves at the Mothers' Tea.

# Community Cooperation

The "sweet-sixteeners" co-operated with Kelly's Community Council to put over the annual dance for the benefit of our extracurricular activities.

The dance, held this year at St. Agnes' Ballroom, November 19, 1948, was a big night for the entire community.

Daniel McCarthy and Margaret Lubawy were presented with the first and second door prizes by Mr. H. Begeman and Mr. B. Hartnett of the council.

The Community Council is intensely interested in improving all educational facilities in the community. The culminating activity of the council this year was the banquet tended Mrs. Allen, May 4, on the occasion of her tenth anniversary as principal of our school.

## *The Hub of Class Activities*

My community . . . my city . . . my state . . . my country! If I am lacking in any essential facts, the Social Science Laboratory is my storehouse of information on any topic pertaining to the Social Sciences. The laboratory is really the core about which many class activities revolve at Kelly. Visiting educators from other cities have proclaimed our laboratory as outstanding. Raymond Naglett, Adolph Prusa, Florence Halerz, Shirley Glazer, and Dolores Rogers investigate a map of Chicago.

# *Watchful Eyes . . . Steady Hands*

Marlene Votava, Edward, Scholtens, Herman Begeman, and Anna Walus cautiously prepare hydrogen gas.

Accuracy is of vital importance to these young engineers, S. Golba and J. Uhler.

## *Buttons 'n Bows . . . Snips 'n Solder*

Clothes, clothes, and more clothes are every girl's desire whether they're sixteen or sixty. This desire becomes reality in a clothing class. Give Arlene Weinberg and Lenore Pliester material, thread, scissors, a sewing machine—and presto, a new dress.

The creative skill of the students in this Industrial Arts Laboratory is developed in three fields; metal work, electricity, and printing.

## Language Arts

Guitarist Thomas McDonald inspires Senoritas Rose Mary Hodel, Joan Kohel, June Cech, and Catherine Hamilton to sing "Cuatro Vida" for their Spanish Class while Senor Richard Leato has his siesta.

The art of listening is being demonstrated in an English Class by Ronald Maziorka, Robert Marzalek, and James Kalkowski, while Paula Dluski uses the wire recorder to check her speech errors.

# Nutrition Experts

"When a girl reaches sixteen and hasn't learned to cook and bake, the outlook for her future looks pretty dim," says Mary Lou Carrozo. Marie Saletnik keeps a watchful eye on her roast.

These Kelly gals need not worry about their next meal. Helen Thomas whips up a frosting, while Helen Gjerko and Mary McNamara sample their culinary efforts.

All good things come to an end . . . pots and pans must be left spotless so . . . Marilyn Kuta, Jeri Druktenis, and Vera Worobey swing into action.

## *A Problem for Everyone!*

# Sweet and Lovely

The Mixed Choir likes "You were sixteen, my village queen," a phrase from the perennial favorite, "The Old Mill Stream." "The Nutcracker Suite," an operetta given by the Mixed Choir featured many soloists. The performances of Helen Thomas, Jenny Bender, Marlene Miller, Dorothy Szymanski, Barbara Chalupa, James Black, Dolores Fornek, and Hugo Schmidt will long be remembered. The Choir also performs at special programs and school assemblies. Caroling around our Christmas tree during the Yule season is a Choir tradition. Miss H. Dallach is the director of our Choir.

## *Athletes of The Hour*

Win . . . lose . . . tie, the keynote of Kelly play is good sportsmanship. In every game, our peppy cheerleaders lead the crowd in happy approval of a fine play, while our team players give their all.

Both gymnasiums buzz with activity as our intramural programs progress. Healthy participation in programs designed to attract not only the expert athletes, but those who are average in ability, is encouraged.

A well developed body is the complement of a keen mind.

Good Luck to a  
swell kid. I had a  
good time. Thanks

## They're Rugged!

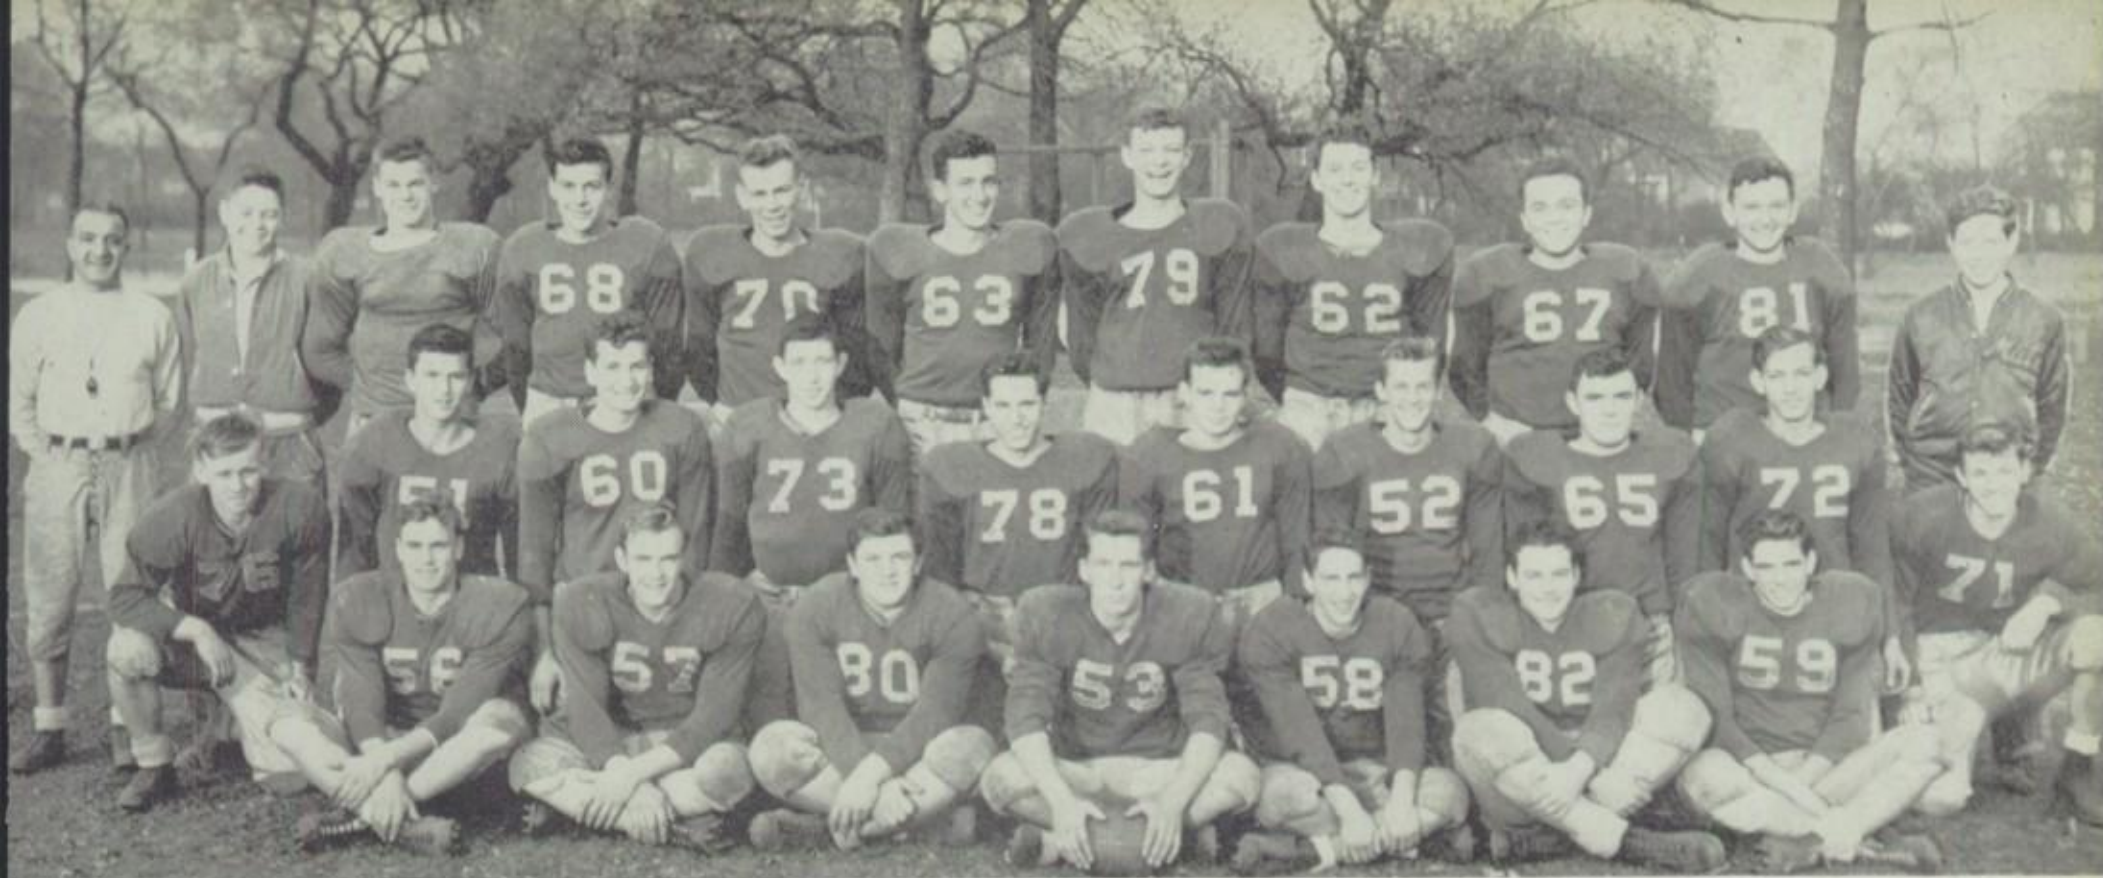

Under the able guidance of Coach Strocchia, our grid-men paved the way to one of Kelly's most successful football seasons. Although we boasted a squad of only twenty-five varsity members, we proved a threat to some of the larger teams in the league. Working with this small group of boys, Coach Strocchia whipped them into a powerful machine, eleven cogs in a great wheel, bowling over opposition. Cooperation with the coach plus the will to play hard and well brought honor and glory to Kelly.

## Court Capers

With Kampfert, Elliott, and Paliakas, the only veteran lettermen, Coach Buchanan recruited Fatima from the Junior squad and Walsh, a new student, to mold a third place sectional team. The squad which was small for a Senior team was exceptionally strong at home where they lost only one practice game and one league game. The Senior team winning 5 and losing 3 finished the season in third place and a position in the playoffs.

## Watch It! Goalie

The Kelly Trojans made an untiring effort to win, but victory was not to be theirs until the fighting eleven beat McKinley one to nothing. Although the team had more downs than ups, their spirit and sportsmanship never faltered. Next year, with the return of many of our letter men, Kelly hopes to make a grand showing. This year Kelly contributed two players G. Rogers, left full-back and L. Judickas, outside left, to the all-star team.

## *Hit the Sack!*

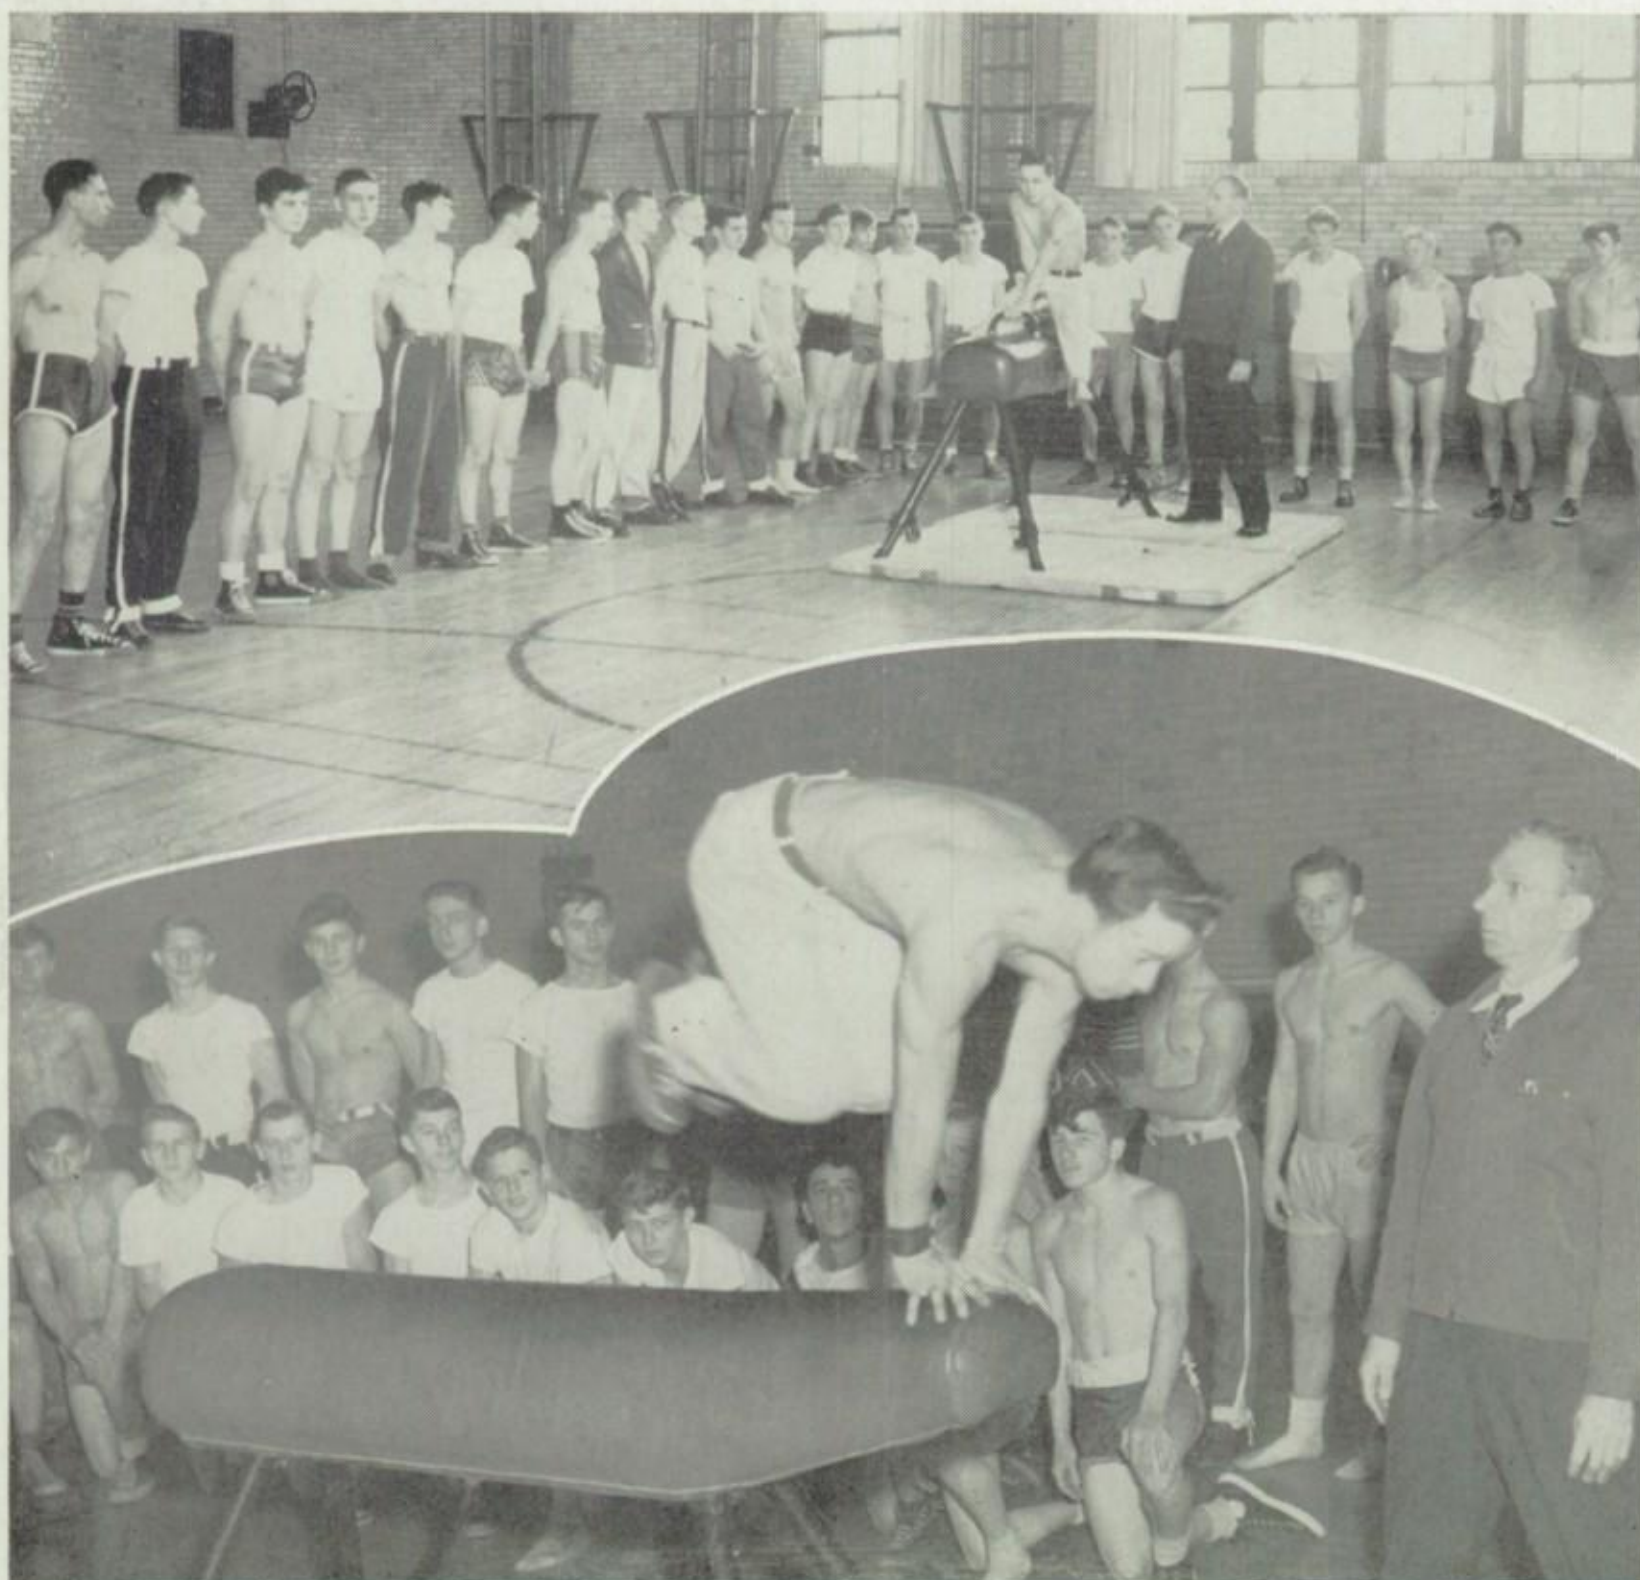

Action seems to be the byword when the green 'n white are in the game. There is never a dull moment from the time the first ball is pitched until the Trojans leave the diamond victoriously. Whether you're swinging at the plate, beating out a hot grounder to third, or eating dust at second, you will find that it is all part of the game. With four veterans of last year's central Section Champs in the lineup, the Kelly nine hopes to be on top during the '49 season.

# *Timing . . . Precision . . . Coordination!*

Our gymnastic team was not quite large enough to put three boys into the championship division in the annual city gymnastic meet; however, we were able to capture fourth place in the contest. At the present time Coach Hermann is encouraging freshmen on the team to practice in order that the team may develop into gymnasts who will give stiff competition within the next two years. The annual demonstration presented by our gymnasts is a source of informative entertainment to all who are fortunate enough to attend.

**Gymnastic Team:** V. Castrogiovanni, W. Boduch, F. Kubick, J. Stankos, E. Spicka, R. Farrell, H. Lenz, W. Mankunas, A. Waleske, J. Tablerion, F. Mikuta, S. Cole, D. Lesiak, R. Rehfeldt, R. **Seated:** E. Zuffa, D. Lambert, A. Werbowetzki.

Although our wrestling team did not fare too well this season, the members gained valuable experience which will be an asset in the coming season. S. Socha, R. Absolon, and R. Rhizma represented Kelly in the annual State Wrestling Meet at the University of Illinois.

# Trojan Sea Horses

"Kick those feet harder, pull those arms," familiar words Coach Strocchia stresses in every practice session with the Kelly Swimming Team. While the present team has not captured any laurels in city swim meets this year, Coach Strocchia is conscientiously developing swimmers among the 1B and 1A boys. The team boasts of only four senior natators, but within the next year there should be several upsets in the city swim records by some of the younger team members.

## *Intramural Champs*

There was keen competition in this year's intramural games, touch tackle, basketball, and softball, and the teams that came out on top had to play hard for their shields. Since their institution, intramural sports have helped greatly to teach the boys how to play the games without giving up any extra time after school. Approximately seventy-five per cent of our boys participated in these sports.

# *Kiwanians Fete Athletes*

A highlight of the fall sports season was the Soccer-Football Dinner tended team members by the Archer Road Kiwanians. Likewise, the Basketball and Baseball boys are given the same recognition by the Kiwanians during the spring of the year. Roast beef plus all the trimmings . . . oh, me! oh, my! Guests of honor included Dale Samuels, star quarterback of the Lindblom City Champs' team, and Coach Von Bremmer whose stirring address on "Sportsmanship" was well received. Zip and zest were added to the occasion through the community song fest led by Mr. McKeag and through the rousing cheers and yells of the Cheerleaders. Coaches Fralick and Strocchia voiced their praises for the fine cooperation between these representative business and professional men and our teams.

And loyal sons of Kelly are the members of the "K" Club. Membership in this organization is achieved through distinguishing oneself by earning a "K" emblem. For three long weeks the initiates perform all sorts of antics to the pleasure of their fellow club members. The "K" Club dance, with pledges in costume, and the annual "K" Club Banquet are the highlights of their social season. Good clean fun, coupled with a discussion of sports and the promotion of good sportsmanship in all school activities is the core of this club program.

Looks easy girls, but it seems like you need help. How about trying it all by yourselves?

Trust the faithful G.A.A. Board to work out an interesting program to keep G.A.A. members on their toes and physically fit. A few of the activities provided to keep that "sweet sixteen" figure include: bicycling, hiking, tennis, bowling, and roller skating. The real G.A.A. member is characterized by good sportsmanship, fairness, friendly co-operation, and a sense of loyalty.

Coincidentally, with the publication of the 16th Lamplighter the Kelly G.A.A. also began the 16th year of its existence in the spring of '49.

## *Vim . . . Vigor . . . Vitality!*

Practice makes perfect! Just fits the Girls' Life Saving Class at Kelly. Instead of merely swimming for the pleasure of it once each week, these hard working mermaids perfect their knowledge and skill in advanced swimming and life saving practices. Likewise, many long hours of practice are required to attain membership in the Cheerleaders' Squad—the real morale boosters at our games and pep assemblies. Yeh! Kelly.

Can they pass! Can they make baskets! Girls' All Star-Basketball Team.

Good form girls! Heads up! Backs straight! Knees out!

It's in! A free throw made by Irene Twardowski as members of this winning team look on.

## *Pass That Ball!*

The girls' gym classes never reach the point where activity is at a standstill. Whether it is in the pool, in the gym, or in the health class, activity is always to the fore. The fall season ushers in soccer and captainball, followed by volleyball and basketball during the winter, and in those balmy spring days softball holds full sway. In the pool, the joy in accomplishment of a freshie girl learning to paddle for the first time is just as great as that of her senior sister making the Life Saving Class. The program is strenuous but the girls enjoy it.

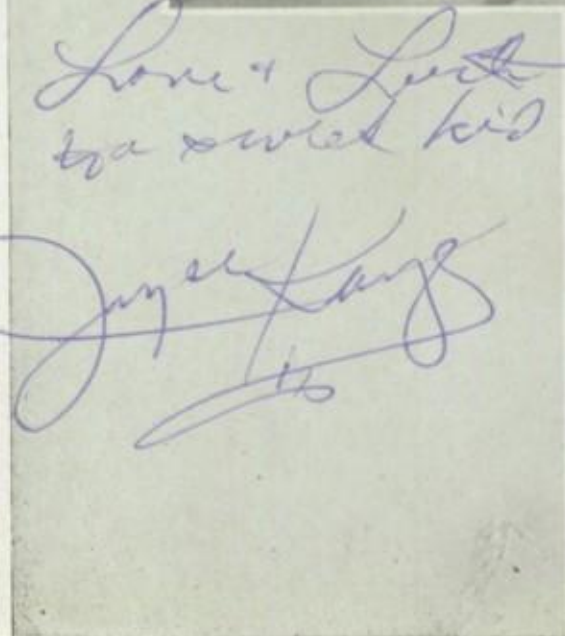

# Strenuous Is the Word!

The importance of developing good strong bodies as well as developed minds cannot be overemphasized. A well rounded physical program is the girls' gym department's aim. Our girls attack the problem intensively—and the results . . . no finer girls than the Kelly girls.

Bicycling is fun on a bicycle, but how does it feel on the floor, girls?

Don't miss that ball Joan, or the game is lost!

The pride of the gym—our Letter Girls! All hold the coveted "K" Award. Standing: Joyce Kaye, Nina Rewchuk, Dolores Nowak, Lorraine Cook, Mary Ann Gallagher, Irene Twardowski, and Norene Larabee. Sitting: Frances Cassells, Dolores Gabbert, Julie Jerkatis, Nancy Buck, Felicia Karlow, Joan Lloyd, and Mary Bitta.

# Kelly Colors on Parade

The Mission of the R.O.T.C. is to qualify students for positions of military leadership. In addition, it helps to provide an electorate informed as to American traditions, ideals, and institutions, including the purpose and necessity of a sane policy of national defense.

"Color Guards . . . 'Tenshun' is the signal for the opening of all important formal meetings at Kelly. Our Color Guard performs with snap and precision.

Plans and Strategy are a most important detail of every military maneuver. Kelly's Officer Staff is busily engaged in making these outlines.

**Lower: The Use and Care of the Weapon** is the soldiers' prime responsibility. Sgt. McMahon, Kelly's Military Instructor, demonstrates the mechanism of the rifle to a class of R.O.T.C. members.

On the road to marksmanship the six main steps are sight and aiming, positions, trigger squeeze, timed fire, sustained fire, and examination.

The Rifle Team is taught the importance of position, trigger squeeze, and proper breathing to increase their skill as proficient marksmen.

## *Ready! Aim! Fire!*

Intensive training in all basic phases of military drill, command and organization, military history, policy, map reading, scouting and patrolling, musketry, posture, sanitation and first aid, rifle marksmanship and military discipline plus courtesy is given to our R.O.T.C. unit. Under the capable direction of our two military instructors, Captain Patrick and Sergeant McMahon an average array of cadets has been trained to form a highly successful unit. Our Kelly R.O.T.C. has had top rating as an honor school during the years 1940, 1941, 1942, 1944, 1948, and 1949.

### “When You Were Sweet Sixteen”

When first I saw the love-light in your eye—  
I dreamt the world held naught but joy for me  
And even though we drifted far apart—  
I never dream but what I dream of thee:  
I love you as I never loved before—  
Since first I met you on the village green  
Come to me or my dream of love is o'er—  
I love you as I loved you, when you were sweet,  
When you were sweet sixteen.

Dear Cl,  
It's been swell  
knowing you these  
four wonderful years  
at Kelly. I can't think  
of what I want to say except  
the happiness and  
success in the world  
I hope to see you

I hope you have many  
many I also wish  
stay as sweet as you  
are (sometimes)
